DIRECTOR OF NURSING

Geegeelup Aged Care Facility is a Residential Aged Care facility based in beautiful Bridgetown.

Geegeelup Aged Care Facility is an accredited facility.

Geegeelup is a provider of residential aged care services in Bridgetown Western Australia. The facility has 32 single rooms with private ensuites, all fully refurbished. We currently have an opportunity for a Permanent Full-Time or Permanent Part-Time Director of Nursing to join our team. The position is integral to the effective and efficient provision of quality clinical care to meet the needs of our residents.

You need to be a strong communicator and use diverse clinical skills to foster the best clinical practice and ensure compliance in all areas. You will ensure Aged Care Standards are complied with and the residential aspect of the aged care facility is running smoothly at all times. Strong communication skills and diplomacy will enable you to lead the care team and support residents and their families through the journey of residential care.

You will be a progressive and energetic leader with a strong clinical/healthcare management background and operational management experience. You will be responsible for the effective management of the residence, ensuring the delivery of premium clinical care, maintenance of standards, promotion of a positive work environment and operational efficiency. You will also oversee the management of physical resources, maximisation of revenue, adherence to accreditation standards and delivery of care and administration.

We expect that you will be able to form excellent relationships with staff, managers, residents and their families including the addressing of feedback, compliments and complaints in a professional manner, whilst ensuring operational efficiency.

Mandatory qualification:

- Bachelor of Science-Registered Nurse Qualification or equivalent as specified by the Australian Nursing and Midwifery Board

To be successful in this role, you will be able to demonstrate the following:

- Current registration with AHPRA (RN essential);
- Experience in working as a Registered Nurse within an Aged Care Sector or Community sector an advantage;
- Management experience essential;
- Contribution to the achievement of financial budget and performance benchmarks, especially in relation to occupancy and ACFI;
- Reports on the General Manager for the facility and ensures that projects are carried out to completion;
- A good working knowledge of clinical governance, ACFI, care planning and policy development;
- Implementation and monitoring of procedures and standards in a service environment;
- Excellent clinical decision-making skills with the ability to think on your feet and work under pressure;
- Proficiency and understanding of electronic care management systems and computer application;
- Be fully COVID-19 and Flu vaccinated.

Geegeelup Aged Care Facility continually strives to achieve best practice clinical care and service provision. We are immensely proud of our staff at Geegeelup and offer them a very friendly, encouraging and supportive culture, ongoing training and above award wages.

This position is permanent full-time or part time, with extra relief work for the right candidate.

A satisfactory National Police Clearance Certificate is required according to the Aged Care Act 1997.

Our aged care residences are smoke-free workplaces.
