

Aged Care Facility and Independent Living

Supervisor Needed

Geegeelup Aged Care Facility is a Residential Aged Care facility based in beautiful Bridgetown.

Geegeelup Aged Care Facility is an accredited facility.

The facility has 32 single rooms with private ensuites, all fully refurbished. This is complimented by large new communal dining and sitting rooms, adjacent to a large state-of-the art kitchen. This flows into a spacious outdoor sitting area surrounded by gardens. There is an on-site laundry; a treatment room and a smaller communal sunroom used by visiting health and wellbeing professionals for activities and booked family gatherings.

We currently have an opportunity for a Permanent Part-Time Medication Competent Supervisor to join our team.

Skills / experience required:

- Medication competency or experience (can be trained on the job)
- Experience in an Aged Care setting
- Certificate III in Individual Support (Ageing) or equivalent
- Strong interpersonal and communication skills
- A passion for working in an Aged Care environment
- First Aid Certificate (obtained within three-month probationary period)
- Valid Police Clearance (dated no later than three months prior to commencement of employment date, or a new one will be required)
- Have a current influenza vaccination and, at a minimum, the first COVID-19 vaccination

As a Supervisor, you will assist our residents to improve their quality of life, ensuring safety and well-being is maintained. You will also be supervising carers on your shift and directing/assisting and mentoring them to provide the best practice clinical care and service.

Geegeelup Aged Care Facility continually strives to achieve best practice clinical

care and service provision. We are immensely proud of our staff at Geegeelup and offer them a very friendly, encouraging and supportive culture, ongoing training and above award wages.

This position is permanent part time, with extra relief work for the right candidate.
